Design Mark Announces Michele Monast as Financial Controller

WAREHAM, MA, ISSUED APRIL 17, 2019... Design Mark Industries (<http://design-mark.com>), a leader in custom manufacturing of graphic overlays and labels and engineering-based, user-interface solutions provider, announced today that Michele Monast has joined the company as Financial Controller.

Monast brings more than 20 years of experience in accounting, project management and team development to this high-level position, including previous controller experience. In this role, Monast is responsible for oversight of the company's daily cash flow and accounting functions, as well as monthly financial statements. Monast creates reports that enhance the leadership team's ability to better manage the business, and works closely in collaboration with other departments including IT to identify and execute overall process improvements.

Monast earned her Bachelor of Business Administration degree from the University of Massachusetts at Amherst. Originally from Taunton, Monast currently lives in Assonet, Massachusetts, with her husband, daughter, and two dogs. In her free time, she enjoys watching her 15-year-old daughter play volleyball and softball, as well as bowling, walking her dogs, and visiting her parents on Cape Cod.

"We're thrilled to welcome Michele to the Design Mark team," said Renaud Megard, president and CEO of Design Mark Industries. "Her background, experience and strengths will all go far toward contributing to our organization's success and continued growth."

About Design Mark Industries

Design Mark Industries, established in 1971, is a manufacturer of graphic overlays and customized labels. The firm additionally provides in-house design, engineering and prototyping services to support OEM customers in contract manufacturing for their products and projects.
